

Portsmouth Neighborhood Cleans Up - March 29
Saturday 9:00 to 1:00

Ok, this is a new thing. Portsmouth only. If you live outside Portsmouth Neighborhood, and volunteer, you are welcome to dump. This will replace the yearly peninsula-wide Earth Day Clean Up we always had in a church parking lot.

There are two drop off sites:

- New Columbia will have two big dumpsters and a shred-it truck at Trenton and Dwight.
- The Eagles parking lot, at the corner of Exeter and Lombard, will have one dumpster for yard debris, and one for landfill stuff

If you have questions about what can go to the landfill, phone METRO at 503-234-3000.

Money donations are welcomed. Volunteers dump free and we need a lot of volunteers for the following:

- Direct traffic
- Collect money
- Feed and hydrate the volunteers
- Help seniors
- Supervise the loading of dumpsters
- Take scrap metal to Schnitzer Steel and get money.

We also need trucks. Can you volunteer for a couple of hours, or lend us your truck? Tell me what you want to do. Susan Landauer 503-240-8713.
